Assessment Findings

This is to inform you that the above named individual underwent a chemical dependency assessment at this agency on March 16, 2020. This individual was assessed following a referral from herself and good friend regarding her severe substance use disorder. The results show this individual to be having a Severe (Meth) Use Disorder (F 15.20). The results of this assessment are dependent, at least in part, upon the individual providing accurate information.

Recommendations are as follows: a Level III.  Intensive Inpatient followed by a lower level of care.

This individual has chosen to enter treatment if at all possible; at any time she states. I am more than willing to fax her assessment off to inpatient treatment facilities at any time.

If you have concerns or questions, please feel free to contact me.

Sincerely,

Tammy Kinter, B.S., SUDP
